Profile

Highly motivated computer science student with strong problem-solving skills and a passion for learning new technologies. Proven ability to quickly adapt, contribute to projects, and deliver high-quality solutions in software development.

Education

2020 – present	BSc. (Hons) in Computer Science & Technology <i>Sabaragamuwa University of Sri Lanka</i> Undergraduate
2019 – 2023	BSc. (Hons) Operations & Logistics Management <i>University of Plymouth</i> Graduated with Second Class Lower Division
2019	Diploma in English <i>Esoft Metro Campus</i>
2018	G.C.E Advanced Level <i>Rahula College. Matara (2037963)</i>

Projects

Ongoing	Society of Technological Studies connection hub - Flutter, Dart, Firebase Developing a mobile app to foster close interaction among alumni, current students, and faculty members. This initiative, spearheaded by the Society of Technological Studies (STS), is set to transform the way our community interacts by providing a dedicated platform that facilitates job opportunities, mentorship, and professional growth.
2024	Blog Page - Django, Python, HTML  Designed and implemented fully functional blog page using Python and Django for backend management with HTML for the frontend, enabling user to create, edit and post
2023	Student Management System - Python, Tkinter, MySQL  Created a desktop based student management system using Python and Tkinter for the interface with MySQL for managing student records.

2023

Library Management System - C#.NET, MySQL [↗](#)

Build a comprehensive library management system in C#.NET that streamlines with login, registration, scheduling, including CRUD functions

Technical Skills

Programming Languages — C, C#, Dart, JavaScript, TypeScript, Java, PHP, Python, HTML, CSS

Frameworks — Flutter, Node JS, React JS, Django, Java FX

Databases — Firebase, Mongo DB, MySQL

Tools & Technologies — Git, Postman, Figma

Skills

Team-working Skills

Problem Solving Skills

Self-Learning Ability

Communication Skills

Analytical Skills

Adaptability and Flexibility Skills

Interests

Tech — Mobile App Development, Data Engineering

Current Learning — Flutter, Dart, Firebase

Achievements

SpaceHack 2021- an inter-university hackathon - finalist [↗](#)

IEEE student branch of Sabaragamuwa University of Sri Lanka

Brainstorm 2021 - the Premier Biomedical Competition - Semi-finalist [↗](#)

IEEE EMBS Student Branch Chapter of University of Moratuwa

Extra Curricular Activities

Organizations

Society of Technological Studies - Active member

IEEE Student Branch Sabaragamuwa University of Sri Lanka - Active member

Sport

Player of University Shooting club
